

**Dear Readers,**

Very warm season's greetings!

It is a great achievement that the journal of API Vidarbha Chapter is being published one more time. I congratulate the chairman of journal subcommittee Dr. S. R. Tankhiwale and his team consisting of Dr. Mrs. Madhuri Holey, Dr. Mrs Manjusha Mardikar, Dr. Mrs Tanuja Manohar, Dr. Anil Modak and Dr. Mrs. Vandana Baraskar. It is their tireless efforts which have made it possible to publish this journal.

It is again a happy news for the readers of this journal that it is now an indexed journal. The journal publication is an important academic activity of any association. There is a constant flow of new knowledge in the Medical literature. It is thus difficult to keep pace with knowledge, In such situations journal keep us closed to the latest developments, advances and happiness.

It is my feeling that journal of API meets all these needs of readers. My sincere thanks to all those who have contributed articles in this journal and made it a success.

**Dr. S. N. DESHMUKH**
